

July 13, 2007

Dear ASA Athlete,

CWSAA Pass Recipients

The CWSAA pass policy for 2007–2008 is now up on our ASA website and athletes selected for passes will be posted before July 15, 2007.

Our appeals policy will be posted on the website and it should be noted that anyone materially affected by the selection and wishing to appeal must make their intentions known according to the ASA policy by July 20, 2007.

Athletes selected for passes must provide their Alberta Health Care number, is an ASA member for the 07/08 season, and has purchased FIS and CAIP already. The athlete must also provide proof that they are registered with a recognized ASA Competitive Club upon picking up the pass. Passes must be picked up and paid for by September 21, 2007.

The athlete must also indicate if they intend to use their CWSAA pass no later than August 15, 2007.

This list is tentative barring appeals pass refusals and extra passes granted.

Cheers!

Chris Brodeur
President
Alberta Snowboarding Association
