Hello Alberta Snowboard Members,

We are writing to provide you with an important update regarding the application process for the CanWest Pass policy and Provincial Team Policy. We regret to inform you that there has been a delay in the review and selection process due to the WSPL points being down and we wanted to keep you informed of the revised timeline.

Due to unforeseen circumstances and an unexpectedly high number of applications, our High-Performance panel requires additional time to make the changes needed to move forward with the process. We understand the anticipation and enthusiasm surrounding the selection process, and we sincerely apologize for any inconvenience caused by this delay.

We assure you that your application is receiving careful consideration, and we value the time and effort you invested in preparing it. The committee is working diligently to complete the review process and reach a decision as soon as possible. However, we want to prioritize a comprehensive evaluation to ensure fairness and maintain the high standards of our selection process. Based on the current circumstances, we now expect to finalize our decisions and notify all applicants regarding the outcome by August 1st. We understand that this delay may cause some uncertainty and we appreciate your patience and understanding throughout this process.

We would like to express our gratitude for your patience and understanding during this unforeseen delay. We are committed to providing you with an update as soon as the final decisions have been made.

For reference, we've added the CanWest Passes and Provincial Team (23/24).
