

2027 Canada Winter Games Snowboard Technical Package

Technical Packages are a critical part of the Canada Games. They guide the selection of athletes by prescribing the age and eligibility requirements, assist the Host Society by detailing competition formats and scoring procedures, assist Provincial/Territorial (P/T) Chefs de Mission in verifying eligibility, help with budgeting by describing the number of participants permitted, advance coach certification by stating minimum requirements, and generally contribute to athlete development by identifying each National Sport Organization's (NSO) version of athletes in the "Train to Compete" phase of its Long Term Development (LTD) model, or other suitable phase of LTD as justified by the NSO.

Technical Packages are developed 36 to 24 months prior to the Canada Games primarily by NSOs, following the Canada Games Council's (CGC) [Principles that Govern Technical Packages](#). As the overall governing body of the Games, the CGC has the ultimate authority over Technical Packages, but this authority is exercised only with the knowledge and understanding of the concerned NSO.

Relevant Games stakeholders, specifically Provincial/Territorial Sport Organizations (P/TSOs) and P/T team staff, are encouraged to review the Technical Package in detail to ensure a thorough understanding. If an individual wishes to seek clarification or initiate a change to a Technical Package leading up to a Games, the request should be first directed to the NSO or the Chef de Mission. The NSO or Chef de Mission will submit the requested change or clarification to the CGC for consideration. Timelines for requesting changes to major elements of the Technical Package (i.e. team sizes, age categories, eligibility restrictions, events, competition formats) are outlined in the Principles that Govern Technical Packages. Minor corrections will be considered at almost any time, but will be increasingly difficult to achieve within six [6] months of the Games. These time frames reinforce the importance of complete understanding of the Technical Package by Games stakeholders early.

- If there is a tie, points will be shared equally between athletes (i.e. If two athletes are tied for first then each athlete would receive 98.5 points $[(100+97)/2]$ and 3rd place points would be awarded to the next finisher)
- Each event will be scored separately
- Sport scoring points will be awarded based on the chart below

9. FLAG POINTS

Games to Games performance by a P/T Team at the Canada Games is measured by accumulated Flag Points. Every P/T Team is awarded Flag Points for its ranked performance in each sport in which it competes.

In Snowboard, Flag Points will be awarded separately for women’s and men’s events based on the total of sport scoring points awarded.

After ranking the P/T Teams from first to last, and after any ties have been resolved as detailed in Section 10 (Tie Breaking Rules - Flag Points), Flag Points will be awarded as follows:

Placing	Points	Placing	Points	Placing	Points
1st	10	6th	5	11th	1.5
2nd	9	7th	4	12th	1
3rd	8	8th	3	13th	0.5
4th	7	9th	2.5		
5th	6	10th	2		

10. TIE BREAKING RULES - FLAG POINTS

1. If a tie occurs in the final Provincial/Territorial team standings, the Province/Territory with the greater number of event first places will be assigned the higher rank.
2. If the tie persists, the procedure is repeated for event team second places.
3. If necessary, the procedure is repeated for event team third places, then fourth places, etc.

NOTE: When a triple tie occurs and is only partially resolved, the remaining ties will be resolved by returning to priority #1 and proceeding through the order again.

11. MEDALS

The Canada Games will award medals to athletes only. Gold, silver and bronze medals will be presented for each event.

12. COMPETITION UNIFORM

Provincial/Territorial team colours must be worn. Additional information on each Provincial/Territorial team's colours can be found in Appendix C of the CGC's [P/T Team Uniform and Sponsorship Policy](#).

All clothing worn in official training and competition shall comply with the CSF Competition Rules and the clothing specifications set by the Canada Games Council. In the event of a conflict between the two the clothing specifications set by the Canada Games Council shall prevail.

The foregoing notwithstanding, the only commercial marking that may appear on clothing worn in official competition or training is that of the manufacturer of the clothing, as per the CGC's [P/T Team Uniform and Sponsorship Policy](#).

14.2. Competition Protests

Competition protests will be tied to International Competition Rules of each discipline.

15. **ANTI-DOPING**

The CGC adopts the Canadian Anti-Doping Program (CADP) Covenant as a fundamental commitment to engage in a cooperative and collaborative effort to eliminate doping in sport and to support harmonized, coordinated and effective anti-doping measures in Canada. Any Canada Games participant (athlete, coach, manager, technical support, or other person) found to have committed an anti-doping rule violation at the Canada Games (as determined pursuant to the CADP) will be subject to all of the penalties and consequences, as outlined in the [Canadian Anti-Doping Program](#).

16. **APPENDICES**

APPENDIX 2 - PERFORMANCE GUIDELINES

The following Performance Guidelines have been established by the respective NSO, at the request of the CGC and the Federal-Provincial/Territorial Sport Committee (FPTSC), to reflect the expected training and/or performance parameters of a typical Canada Games athlete in the Training to Compete phase of LTD. These Performance Guidelines have been developed as a tool for P/T teams to use at their discretion in the training and selection of their Canada Games teams. These Guidelines are not required selection criteria.

FREESTYLE SKILLS

- Perform varied maneuvers on small and medium features
- Ability to enter and exit features regular and switch
- Ability to maneuver body position on a rail/box feature using both frontside and backside rotation (i.e. able to do both)
- Ability to vary the entrance into a rail/box feature – lip slides and front/back side approaches
- Ability to spin 180+ on and off of features in four directions
- Ability to spin 360+ in four directions on jump features and in halfpipe
- Air stability with style (ability to grab/tweak/vary body position) on jumps
- Air out of halfpipe with grabs
- Perform basic maneuvers on large features

SPEED SKILLS

- Speed management
- Timing of gross motor movements refined
- Symmetry in turn shape
- Riding varied terrain with speed
- SBX – ability to navigate small and medium course features at speed
- Develop basic tactics

APPENDIX 3 - AGE DISPENSATION

The decision to set the minimum ages for participation in the Canada Games was made in the best interest of the young competitive snowboarders across Canada and is based on the following rationale:

1. Two of the main goals of the Canada Games are to foster participation from across the country and to contribute to the development of high performance athletes.
2. The Canada Winter Games competition is classified as a “junior” level competition by Canada Snowboard and the Canada Games Council.
3. To encourage nationwide participation, Canada Snowboard did not select a specific age category but chose to use a minimum age. This minimum age is intended to protect very young athletes from possible physical, psychological and/or emotional harm that could occur by competing at the Games.
4. The multi-sport nature of this event, combined with the atmosphere and social reality of an “athlete’s village” and the wide range in age of all the athletes (up to 25 years of age depending on the sport) add to the pressure experienced by the athletes.
5. Canada Snowboard does not currently require athletes to meet any performance standard to participate in the Canada Games. For this reason, the Council has requested that a process be put in place to provide a dispensation from the minimum age. This process supersedes the Technical Package.

If your Province/Territorial Snowboard Association wishes to request a special dispensation from the minimum age requirement for an athlete, the following documents must arrive at the Canada Snowboard national office no later than **January 5, 2027**.

1. A letter of support from the respective Provincial or Territorial Snowboard Association.
2. A letter of support from the respective Chef de Mission for the 2027 Canada Games.
3. A letter from the athlete’s coach and a letter from the athlete’s doctor confirming that the athlete is at the appropriate level of physical and mental development to handle the level and intensity of the Canada Games competition.
4. A waiver signed by the athlete’s parents or guardians saving harmless Canada Snowboard and the Canada Games Council from any injury which might result from her competing against older athletes. The blank waiver is attached.
5. Recent competition results demonstrating that the athlete has obtained results comparable or superior to those of the age eligible athletes, which have been selected to the respective team for the Games.

6. The dispensation will be granted only if all the conditions have been met. The decision is final and will be communicated to the applicant within 7 working days of receipt of **all** the above documents.
